Reflective Thermal Insulation for use in Roofs, Walls & Floors.

KEY FEATURES

- ✓ SFBA BB is part of SuperFOIL's bubble foil insulation range offering a 3 in 1 design, which provides high performance insulation, reflective venting membrane and radiant barrier all in 1 product.
- ✓ SFBA BB's venting membrane allows moisture to escape, while significantly reducing the risk of condensation.
- ✓ All SuperFOIL SFBA products are rated 'W1' for watertightness, ensuring a secondary rain barrier.
- ✓ When installed next to an airspace, such as the wall cavity, SuperFOIL's reflective features provide excellent thermal insulation properties.
- ✓ Perfect for insulating timber frame walls.
- ✓ Requires no special tools and results in minimal wastage.
- ✓ SuperFOIL product range complies with the latest building regulations and can be used to help attain the desired u-value requirements.

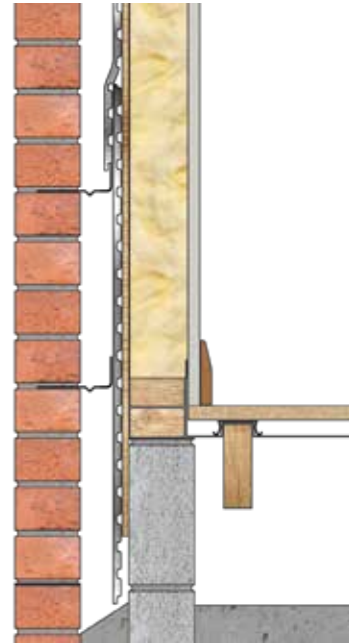

PRODUCT DIMENSIONS

Thickness	4mm
Length	50m
Width	1.35m
Coverage	67.5sqm

FIRE PERFORMANCE

Reaction to Fire (Euroclass)	Class E (Behind Plasterboard)
